

For Authors from India.

AQIE Journals commitment to UGC-CARE Policy and Guidelines

1. Proactive Alignment with UGC-CARE Guidelines

- AQIE Journals constantly reviews and updates its editorial policies and processes in line with the latest UGC-CARE requirements.
- We have a strong editorial board and a thorough peer-review mechanisms, and publication ethics to ensure strict compliance.

2. Enhanced Quality Assurance Measures

- **Robust Peer Review:** Each manuscript undergoes multiple rounds of rigorous, unbiased, and blind peer review, ensuring high scientific quality and integrity.
- **Ethical Compliance:** We follow international best practices to uphold publication ethics, plagiarism checks, and conflict-of-interest disclosures.
- **Open Publication** of Reviewer's Comments/Suggestions and Author's Corrections at the end of the Article.

3. Dedicated Editorial & Advisory Boards

- Our journals are supported by active subject-matter experts from reputed academic and research institutions.
- If a particular article needs to be reviewed by an expert in any special domain, such experts will be invited specially to review that article. For this the author was given an opportunity to suggest two/three experts who are working in that domain.
- We regularly upgrade and rotate editorial boards to incorporate fresh perspectives and maintain neutrality.

4. Transparent Publication Practices

- **Clear Scope & Objectives:** Each journal's scope is clearly defined to maintain thematic relevance and academic rigor.
- **Open Access Options:** AQIE Journals provides accessible publication routes to maximize visibility and citation impact for authors. All articles are provided with doi. There is no option for the authors not to opt for doi.

5. Support for Smaller, Independent and collaborative Indian Institutions

- **Exclusive Institutional Collaborations:** We welcome partnership proposals to co-host special issues, conferences, and collaborative research projects.
- **Customized Subscription Packages:** Special subscription discounts and bundles for libraries, research centers, and universities.
- **Capacity Building & Workshops:** We offer training sessions on research methodology, academic writing, and publishing ethics to enhance scholarly outputs.
- **Support:** Irrespective of the submission of the papers to AQIE journals, AQIE supports the seminars and conferences on voluntary, non-revenue, free-of-charge basis.

6. Fast-Track Publication for High-Quality Research

- To encourage cutting-edge research, we have introduced fast-track editorial workflows for exceptional papers, ensuring timely publication without compromising quality. However for this fast-track also review mechanism is same but will be shortened in the time of processing and publication.

7. Online Submission

- Our robust online platform allows authors and reviewers to track manuscripts seamlessly, improving transparency and efficiency.
- Institutions can easily monitor publication timelines and quality parameters through a dedicated dashboard.
- Tracking of the submitted article will be included very soon.

8. Commitment to Continuous Improvement

- We welcome feedback from authors, reviewers, and academic institutions to refine our processes, ensuring we remain at the forefront of academic publishing standards.
- Regular internal assessments and external audits help us stay aligned with emerging global best practices in scholarly publishing.

9. Invitation to Collaborate

- Institutions across India are encouraged to submit manuscripts, propose special thematic issues, or become official partners in various research domains.
- We strive to strengthen academic and research ecosystem by promoting authentic, credible, and impactful research.

10. Financial assistance

- For first time authors and the research students who need the encouragement, AQIE provides the financial assistance/aid in the form of waiver of APC and also in form of meagre grant.
